RE: 34 Poplar Avenue | APN 073-272-05 | Advisory Design Review | Tuesday, June 11, 2024

Mr. Lopez-Vega,

We submit the following objection for public comment at the ADR project review to be held on Tuesday, June 11, 2024 regarding the request for Design Review, Variance, and Minor Exception at 34 Poplar Avenue (APN 073-272-05). We received notice of the project review hearing (mailed May 31, 2024), but have not received project materials as of today's date. We object to the request for the variance and the minor exception due insufficient project information.

Sincerely,

Zane Morrissey
