I am responding to the pickleball issue with which the town of Ross is struggling. I definitely think there should be restrictions on items like lighting, hours of use, etc., but not an overall blanket denial of permission to use. I'm adamant that existing facilities for racket sports should be allowed to continue to use their court, especially at the Lagunitas Club and Town tennis courts. The Lagunitas Club has been playing Pickleball for over a year without a complaint. We are very respectful of the neighbors and will continue to be. Pickleball is a great new sport and everyone who has played, loves it, especially those who can no longer get around a tennis court the way they used to. And Ross has an abundant group of such people.

Thank you for time.

John Pogue (Lagunitas Club past president)
