Hi Elizabeth, Mathew and Teri-

I'm writing in support to keep pickleball in Ross. It has been so fun to see all ages playing a racket sport. I love that I can play with my kids and they can play with their Nana. It is a fun sport that is accessible to all. Ross has received no formal noise complaints about existing pickleball courts. A preemptive restriction or ban feels unnecessary and could create an issue where none currently exists. Any restrictions should be based on actual data and complaints, not hypothetical scenarios. There are many ways to mitigate noise which other towns have adopted. Thank you so much.
